

# FAMILIES FINDING PATHWAYS TO MENTAL HEALTH SERVICES

Helping families, providers and others navigate and access critical mental health, substance use, and other supports and services for children and families

You will learn about:

Carelon Behavioral Health's Child & Family Division and new Community Pathways Program  
Connect 4 Families Toolkit to simplify access to children's behavioral health services  
Assisted Intervention Matching (AIM) tool to help find the best service match  
and other resources

**MARCH 13, 2024**  
**9:30AM-11:00AM**

Registration not required. Link to join:
