

NATIONAL POISON PREVENTION WEEK

- In 2022, U.S. Poison Centers responded to 2,064,875 exposure cases to poison
- 25,904 exposures were in Connecticut
- 872 of those exposures were from Fentanyl

****Always remember to keep medication away from children and locked in a secure area.***

We H.O.P.E. will be teaming up with the Wethersfield Police Department for the DEA National Drug TakeBack!

**When: April 27, 2024
10am- 2pm**

**Where: 250 Silas Deane Highway
Wethersfield, CT**
